The Ripple Effect

What is 1inFive?

1inFive... is the staggering statistic that is the number of people in our society that have been, or will be sexually assaulted before the age of eighteen. In Australia alone that equates to around 5 million victims!

Who is Bravehearts?

Bravehearts is a non profit organisation whose key purpose is to educate, empower and protect Australian kids from sexual assault. Bravehearts exists ONLY as a result of generous donations from the community. To this end, Bravehearts has organised an annual fund raising event called the Bravehearts 777 Challenge from June 27–July 3. The Bravehearts 777 Challenge is 7 marathons, across 7 states, in 7 consecutive days.

What is “The Ripple Effect”

Kevin Whitley is a survivor of child sexual assault and teams up with Margaret Melkie, the niece of a convicted serial paedophile to form **Team Ripple Effect** to participate in the Bravehearts 777 challenge, raising money to support Bravehearts and stop child sex abuse.

We are pleased to announce the Team Ripple Effect major fund raiser.. The 1inFive Gala Cocktail Party, which will be held at the Wanda Beach Surf Life Saving Club on Saturday evening 28th May. All proceeds from this event will be donated to Bravehearts via Team Ripple Effect’s participation in the Bravehearts 777 Ultra-marathon challenge.

The 1inFive Gala Cocktail Party will have fabulous raffles, auctions and prizes as well as live music from some of our best local bands. MC for the evening will be Channel 10’s Dan Sutton. Tickets may be purchased by transferring the ticket price for the quantity of tickets required to the 1inFive account. Tickets will be held at the door in the purchasers name.
